

## Tatting Lace

At the November 2006 meeting Lisette Frigo demonstrated shuttle tatting and with her swift, smooth hand movements made it all *seem* so easy to produce such delicate, complex and beautiful work. Lisette learnt from her mother when she was young and after a break of many years has returned to tatting with renewed enthusiasm. She recommends these websites:

<http://personalpages.tds.net/~tatting/index.html>

Instructions for tatting with good clear diagrams ‘Shuttle Tatting Instructions by Carrie’ for both right and left handed.

<http://www.wcnet.org/~scwheels/>

‘Vintage Tatting’ has designs from the early 1900s

<http://www.angelbabies.net/index-23.html>

‘Tatting just for you’ has patterns for an angel as well as a simple border tutorial.
